Below: Sueanne LaMont peers into her locker wondering "Where's my book?"

Top right: Three industrious students take a moment to relax before a grueling class with Mr. Toland.

Middle: The Pep Band relaxes between numbers while helping boost everyone's spirit at a pep rally.

Right: Lunch gives many students a chance to catch up on the day's gossip.

Ever wondered what this is? The observatory, located outside of Mr. Toland's room, was used by students to gaze at the stars.

Rigorous athletic practices are common after school scene at Kiski

Looking Around Campus

Remember when you were a student arriving at Kiski for the first time? Compared to junior high school, Kiski may have seemed huge at first. However, this is a typical feeling that many freshmen and new students encounter.

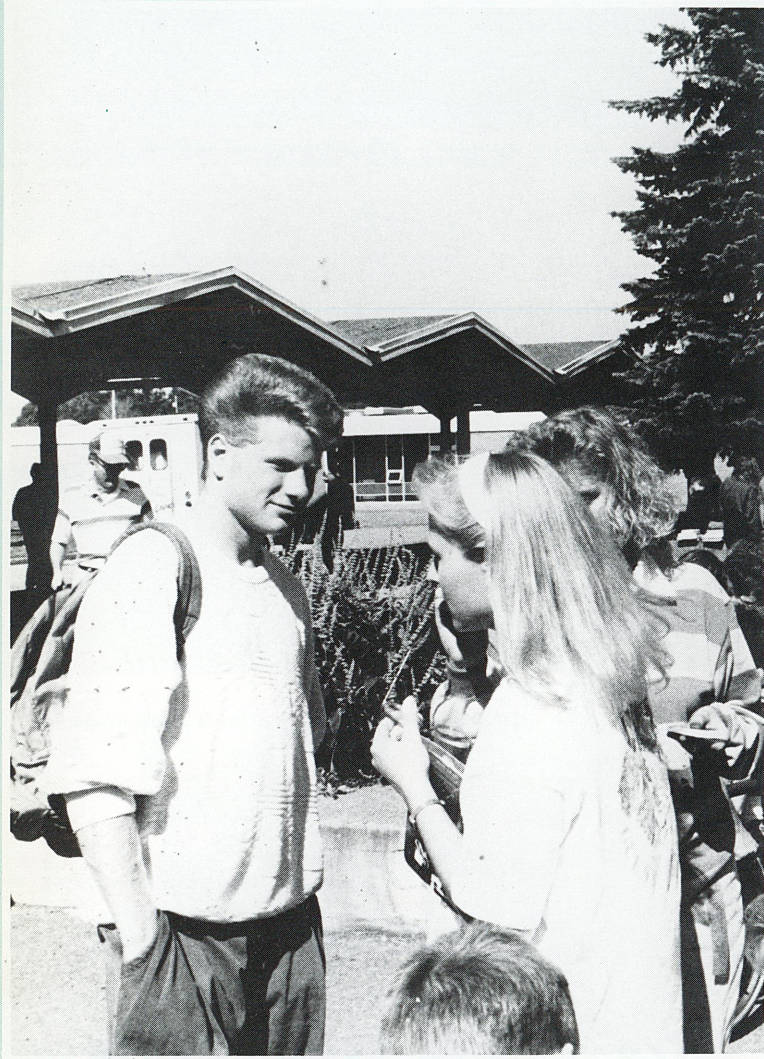

When first arriving at the high school, the thing that many students notice is the long line of buses stringing from the intermediate school down to the high school. Even though this may seem intimidating at first, students quickly become accustomed to it.

As time progresses, students begin to feel more comfortable with the campus. They begin to use the tunnel on rainy days, and start to enjoy the courtyard area, a place where they have an opportunity to enjoy the outdoors during lunch. Mary Passarelli, a freshman, enjoys this aspect of Kiski. She feels that "Kiski is better than junior high because you get to go outside and you're not stuck inside all day."

In addition to the beautiful campus, most students at Kiski will agree that high school provides an excellent opportunity to develop new friendships. Eddie Fox, who has already completed three years of high school feels that "My most memorable high school experience has definitely been all of the friends I've made in the past few years."

“Our destiny exercises its influence over us even when, as yet, we have not learned its nature: it is our future that lays down the law of today.”

Looking Around Kiski

Dan Campbell listens intently to the interesting words of Stacey Kardos.

You can always find enthusiasm in the faces of students at Kiski.

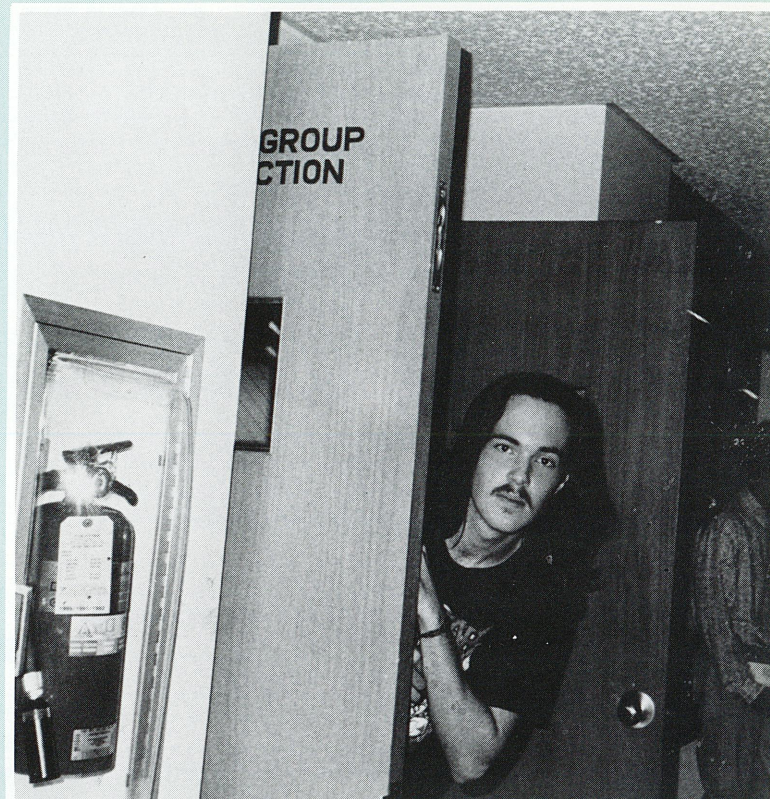

These students take advantage of the extra time they have between classes.

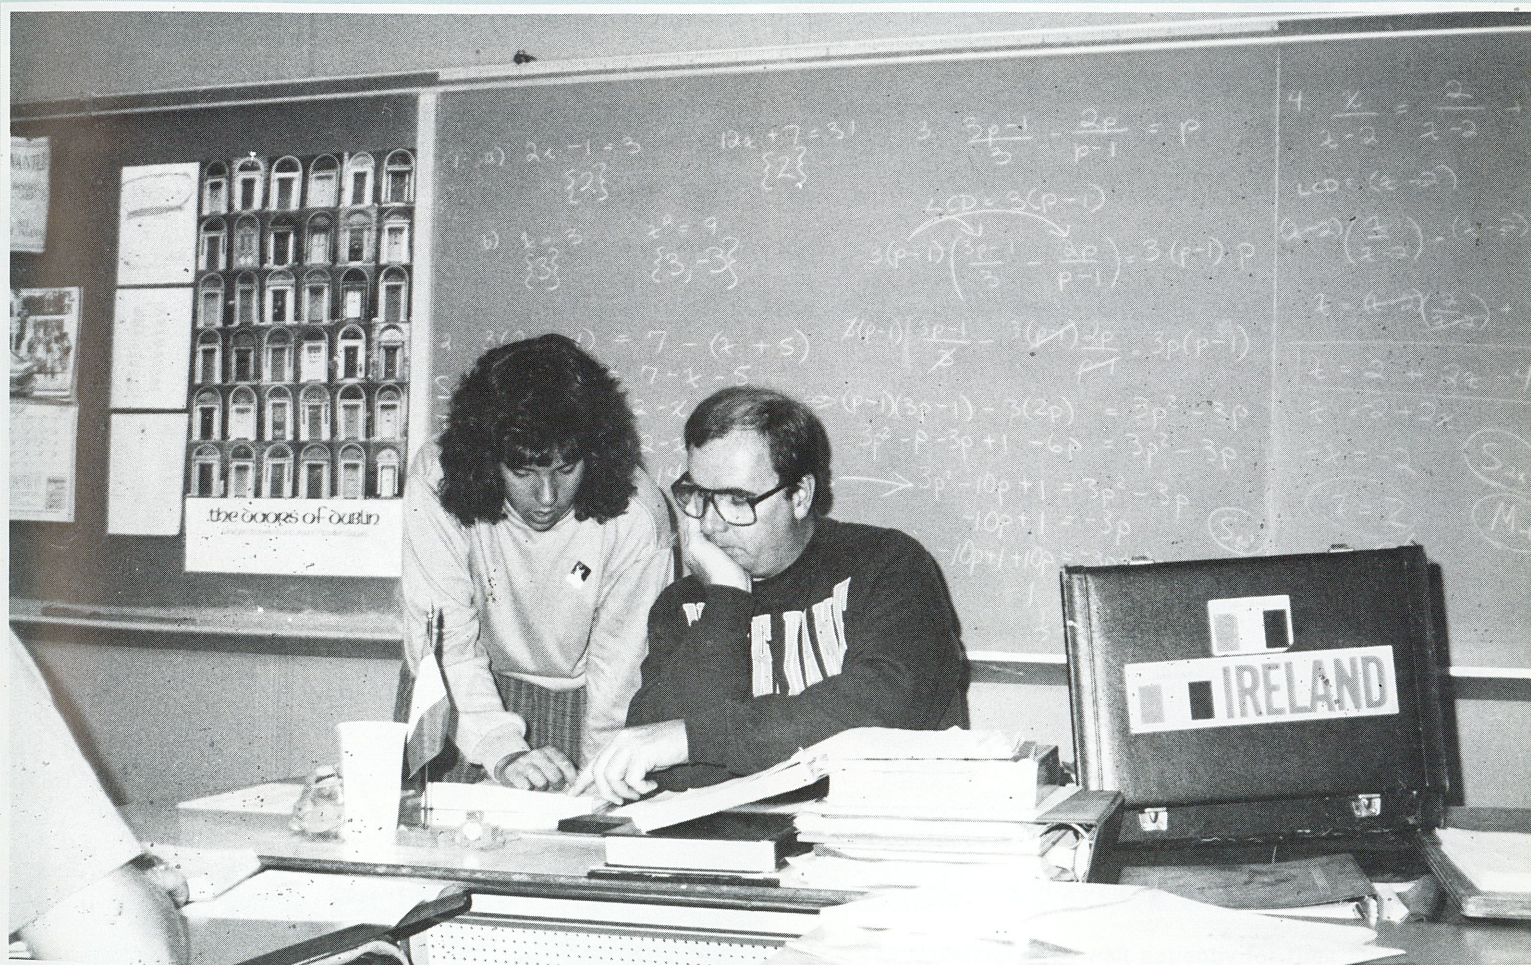

These members of the Freshman Class appear to be mesmerized by their new surroundings.

Bobby Mills lends a hand to Lew Lawhorn who is decorating his homeroom door in honor of SPIRIT WEEK.

Howie Fitzgerald tries to make an escape from Driver's Ed.

Mr. Toland always has time to help a student in need of his mathematical skills.

Shari Payne ingeniously organizes Drama Club Production.

Getting into the Kiski spirit, cheerleaders Diane Ray and Lisa Lawhorn decorate lockers.

Homeroom 309 is still trying to wake up.

This hungry student waited all morning for his lunch.

Mike Rossi, Jim Safranyos, and Matt Otto look surprised when they see the camera.

Caitlin Murphy looks around mischievously.

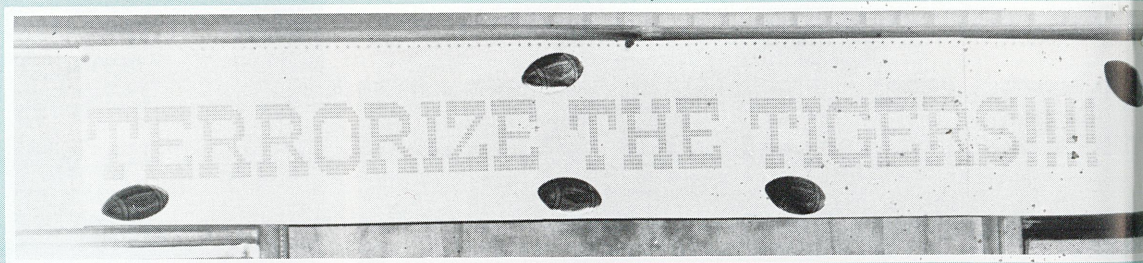

Doesn't Jason Bowser look serious about his computer program?

The underclassmen wait patiently for their lunches.

A Look At Kiski Pride

The Kiski Pride Club is finally on its feet led by President Meghan Kelly and Vice-President Adam Romanowsky. During the football team's great season the pride at Kiski was soaring high with the poster contest and confetti. It was definitely at it's peak. The loud ear-piercing screams of the club proved how enthusiastic they are.

Top: The football team ponders over a mathematical equation. Does $7 + 25 = 6$?
Middle: The sign speaks for itself.
Bottom: We cheer for K-H-S.

Top Left: The students cheer for a Kiski victory.
 Top Right: Kiski Pride sponsored a door decorating contest.
 Left: Introducing the 1990 Quad A Section Champs.

. . . Of Ancient Origin

Many people at Kiski find themselves searching for new and unique things to do in their spare time. One group of students however, has discovered a way to escape the monotony. Myke Butler, Eddie Fox, Ron Pollick, and Chris Urik recently formed a band named . . . Of Ancient Origin. Last June, Myke and Ron's band, Simple Geometry, joined with Chris and Eddie to form the new group.

The band, who performs music known as progressive fringe, is influenced by groups such as Love and Rockets, Joy Division, The Church, and Bauhaus. In addition to playing cover songs by some of these artists, . . . Of Ancient Origin writes and performs their own songs. Myke Butler, percussionist, writes many of the songs that they perform. One of the most popular songs by . . . Of Ancient Origin is "The Loser Song." This blues song was written by Eddie Fox "about the life in this town and because it parallels on the views and ideas of the band as a whole." . . . Of Ancient Origin has improved immensely since they first started in June. Their first major performance was at Allegheny Community Days on September 16, 1990.

They began to play because playing gives them the opportunity to vent their frustrations and because they love music. This view was perhaps best stated by the band saying, "We are not druggies or prejudiced. We're just a bunch of guys who are having fun."

Top: Members of . . . Of Ancient Origin include Chris Urik, guitar; Myke Butler, percussion/vocals; Eddie Fox, vocals/percussion; and Ron Pollick, guitar.
Bottom: The band, shown at "Butler Studios," puts in many grueling hours of practice each week.

Top left: Chris Urik says, "When I sit down to play, it just flows out- it's not playing."

Top right: Myke Butler works hard in order to perfect his drumming skills.

Left: The band takes time to relax before practice.

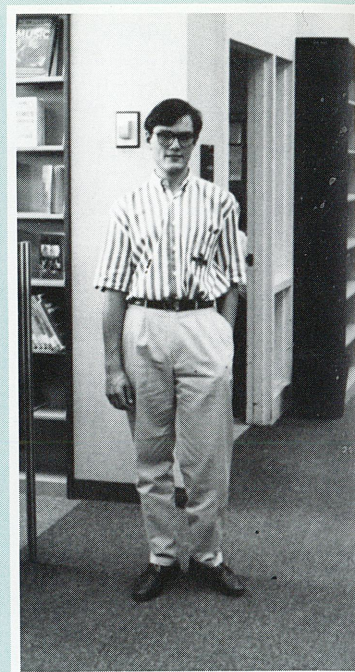

Ron Pollick feels "The type of music doesn't matter to me. I just like it fast."

"If it doesn't show emotion, it's not music" is one view of Eddie Fox.

Liliana Borrego arrived at Kiski in October. She is a foreign exchange student from Sonora, Mexico. She is seventeen years old and is presently residing in Vandergrift. Liliana will be staying here in the United States for nine months, and some of her favorite activities include swimming and dancing. When asked what she likes about Kiski, she exuberantly replied, "Everything!"

Laurent strikes a casual pose in the archives of Kiski.

A Look At Campus

¡BIENVENIDA!

Kiski is dedicated to academic excellence. One way that Kiski attempts to broaden its horizons is by inviting students from other countries to study here.

Sandra Fuentes is a sophomore from Monterrey, Mexico. Her activities here include track, swimming, and band. Sandra says that Kiski is a change for her because, "At home, I live in the city . . . here, I live in the country . . . it's different."

Like Sandra, Laurent Delcomminette is involved with the Kiski Swim Team. He is taking classes such as Physics and Calculus. Laurent has been studying English for six years. Someday he hopes to visit Japan. Laurent plans to attend college when he returns home to Belgium.

Along with Laurent, Jaime Valesco plans to attend college when he returns home to Madrid, Spain. Jaime is a senior this year and is taking classes such as Calculus and Advanced Biology. His main activity this year at Kiski is Soccer. Jaime says that, " . . . this year I hope to enjoy myself as much as I can and learn as much as possible."

Looking At Campus Staff

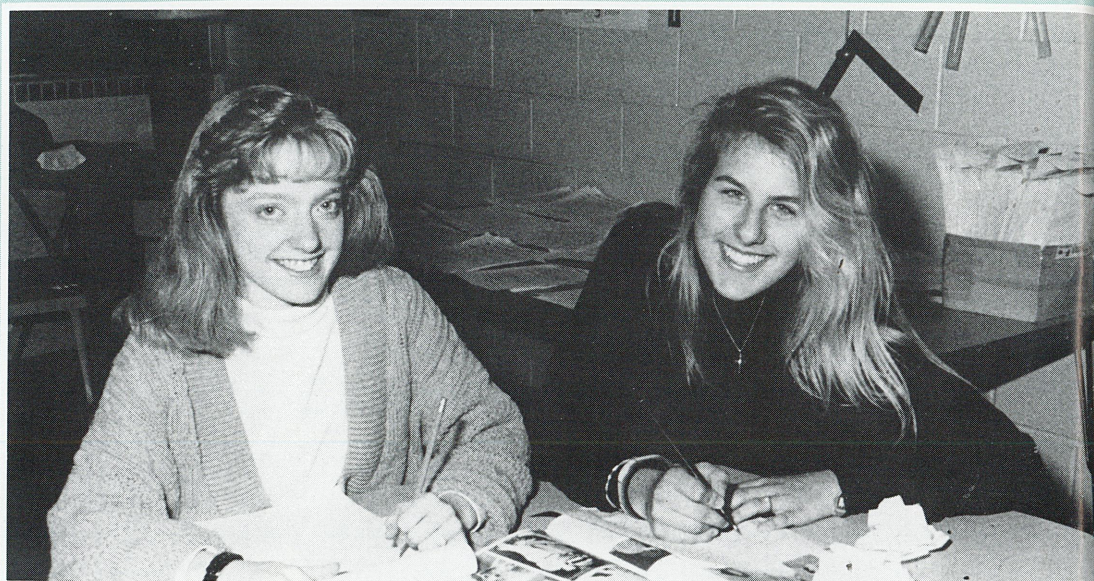

Each year a group of dedicated and inspired students are chosen to form the Kiski Area Campus Staff. The staff is broken down into three branches; these being, the Production Staff, the Literary Staff, and the Executive Staff. The Production Staff is credited for the drawing of pages and typing of articles. The Literary Staff uses their writing skills to create well written articles and captions. The Executive Staff, shown above, consists of Michele Klingensmith, Business Editor; Mrs. Linda Hill, Advisor; Lisa Ceraso, Editor-in-chief; with Candy Aikens and Stacey Kardos as Co-Editors. Each staff makes its own contribution. From selling ads to donuts, the entire staff works diligently to raise the money needed to make the best yearbook possible. With the arrival of every new school year comes the formation of a new Campus Staff. As time passes on, the members learn various techniques used in creating a "successful" yearbook which will prove beneficial in their future years on the staff. As a heartfelt farewell is bid to this year's Senior members, it is not only the long hours of hard work or the stressful thought of deadlines that will come to mind, but also the warm memories and loving friendships that have helped to make the Campus Staff not just another Activity, but something that they may reflect upon with pride, knowing that the annual yearbook would not have been the same without their time, dedication and contributions.

“Lend me the stone strength of the past and I will lend you the wings of the future, for I have them.”

Above: Jen Tedjeske flashes her pearly whites to one of the Campus photographers.

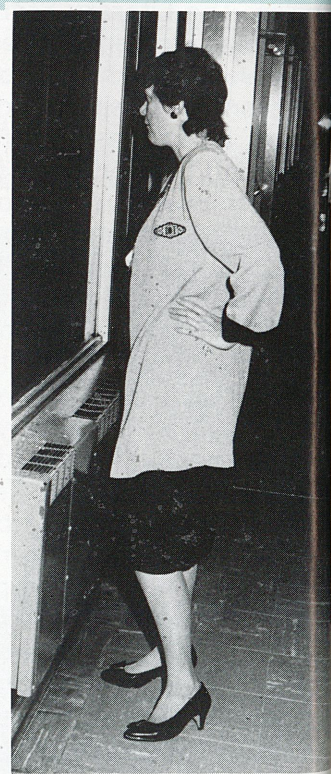

Top Right: The heads of the literary staff, Sheri Passarelli, editor; and Trish Raschiatore, co-editor, put in many long hours in order to write interesting and unique stories for the yearbook.

Middle Right: Two Junior Editors slave over their typewriters.

Below: Trish Raschiatore offers advice to an eager literary staff.

Bottom Right: Mrs. Hill anxiously awaits Thursday morning donut arrivals.

much.

”

When the class of 1991 began high school, many members felt as if they were looked down upon by the upper classmen. The students looked forward to finally fitting in and feeling more comfortable with Kiski. As the years progressed, most students did find their place among the other students at the high school.

Since then, the members of the class of 1991 are no longer the followers. They are the leaders and the examples for future Kiski Area students.

They are excited about the life ahead of them and are ready to face new challenges that they will eventually encounter.

The members of the Class of 1991 have grown inside and out and are ready to make their own decisions and live responsible lives. Even though many students will go their separate ways, they will all have one thing that bonds them together—fond memories of their lives at Kiski.

Myke Butler and friends are optimistic about starting their day.

Missy Smith and Robert Klanica discuss their upcoming class as they journey down the hall.

Laurie Kupec and her escort, Brian Koziattek, flash a big smile at the camera.

On the night of October 5, the 1990 Homecoming queen was announced. It was a perfect evening that marked the end of a week of festivities that ranged from door decorations and posters, to blue and gold day.

After a parade through Vandergrift, the court and their escorts took their seats and nervously waited for halftime.

The court and escorts included Sonja Bowser and Brian Bowser; Jennifer Geltz and Ted Keim; Diana Kaufman and Darrell Coscarelli; Laurie Kupec and Brian Koziattek; Angela Murphy and Matt Guido; and Darla Yannacci and Brian Urick. They anxiously lined up on the fifty yard line and waited for the announcement. Finally, Mr. Veselicky announced, "Kiski Area's Homecoming Queen is . . . Angela Murphy."

When asked how she felt, Angela said "I was very surprised. I'll remember this night for the rest of my life."

Lauren Musselman proudly carries the crown for this year's homecoming queen.

The 1990 Homecoming Queen

Homecoming, October 5, was certainly an unforgettable night for everyone-especially this year's queen, Angela Murphy. Her complete exhilaration was expressed through tears of joy as the other members of the court congratulated her.

Senior Specials
The senior class of 1991 started the year by choosing the Senior Specials. After days of comparing, erasing, and rewriting, the seniors chose those classmates who most deserved the honors. Selecting the Senior Specials was not easy; this year's class had many candidates to chose from. However, this year's Senior Specials were worthy of their awards and will be remembered for years to come.

Looking At Juniors

The class of 1992 has been diligently preparing to become seniors. In addition to their classes and homework, the Juniors participated in many projects. Their major fundraiser was selling candy bars for their class and helping with the prom. This, as well as other activities keep these students active in contributing to Kiski. With only one more year of high school, the Juniors are beginning to realize graduation and their futures are not far off. Although the class of 1992 has big shoes to fill, they are ready to take on all obstacles in stride, and to keep Kiski Pride alive.

"Overall a fun year, being part of a winning football team and wrestling team. So far it's the best year of high school."

The Sophomore Class officers are Mandy Querio, Treasurer; Scott Cignetti, Vice-President; Gina Camilli, President; and Michael Dentzel, Secretary.

Looking At Sophomores

In 1989, when this year's sophomores first walked through the glass doors of the "Big K," they might have been wondering why they were here and what the next four years would bring them. Now the picture is coming into focus. Most sophomores are beginning to realize what they want and have an idea of how to accomplish their goals. Since last year they've grown more confident in their abilities as high school students, and by the time they are seniors they will have a clear understanding of what their future will hold. However, until they graduate, the sophomore class will proudly continue the traditions of Kiski Area and serve as examples for the younger students.

“During my Sophomore year. I've gotten a chance to meet different people and to join new clubs. Hopefully, my next two years will prove to be even more enjoyable than I expect.”

LOOKING AROUND **CAMPUS**

FRESHMEN

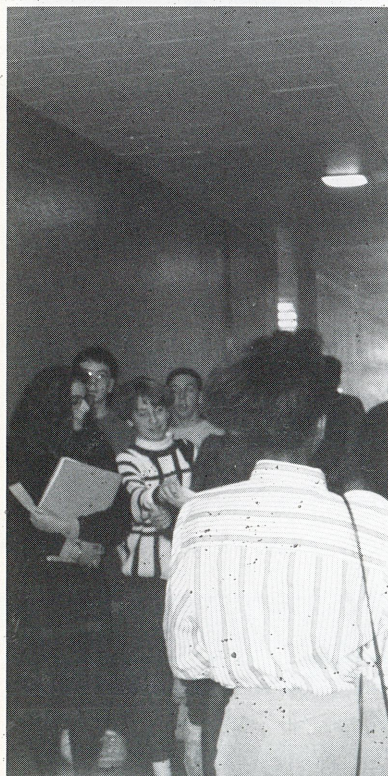

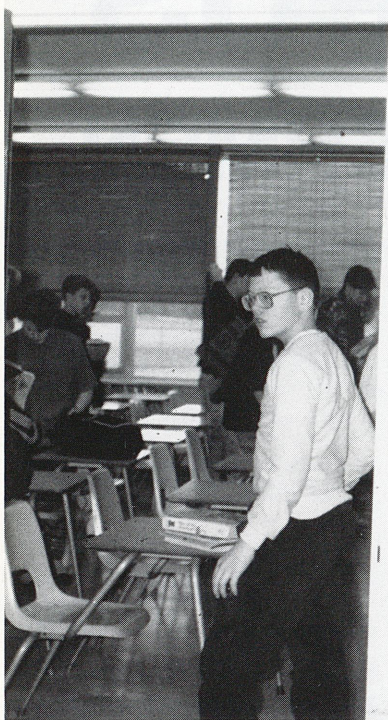

Chris Sloan, is your arm stuck in your locker?

RIGHT: Lyndsey Brandt asks her friends, "Do you think he really likes me?"

BELOW: Is Mr. Guinta's class actually having fun for once?"

MIDDLE RIGHT: The freshmen enjoy their free time at lunch in order to catch up on the latest gossip around campus.

ABOVE: Hurry up, or you'll be late for class.

RIGHT: Courtney Rhodes sure isn't camera shy!

Are you talking to me?

The Freshmen Class officers are Carolyn Maxim, Treasurer; Jennifer Safranyos, Vice President; Jon Dykes, President; and Beth Antonikas, Secretary.

This year's freshmen have had to make numerous adjustments during the past two years. Last year, they had to get used to the new junior high, and now they had to move up to the "Big K". Even though it took them a few weeks to fit in at the high school, most freshmen now know their way around. Hopefully, they have also learned that there is not an elevator at Kiski High. The elevator rumor is only a farse that has been passed down from year to year. Soon, the freshmen began to feel like a part of Kiski and joined in on various school activities and clubs. At the end of their first year at the high school, the freshmen realize their new sense of belonging, and are now looking forward to their futures at Kiski.

“Other than the first day, it's pretty much what I expected. It really isn't hard to find your way around.”

A Look At The "Buddy System"

ABOVE: The students volunteer their time to help these three students: John, Jason, and Wayne.

BELOW: Mr. Mears and Mrs. Lauffer are the heart of the Buddy System.

“The Buddy System is an enriching experience that has helped me achieve a feeling of satisfaction. I enjoy volunteering my free time to help others.”

— Stacey Kardos

The "Buddy System", a new volunteer program at Kiski Area, gives the students an opportunity to help the new special education class here at Kiski. The program was initiated by Mr. Mark Mears and his assistant, Mrs. Sharon Lauffer. The volunteers devote their study halls and any other free time that they have to Room 404 in order to help these new students. The program provides both the "buddies" and students with valuable learning experiences.

LOOKING AROUND CAMPUS

Clyde Lyndsey sports the casual look while discussing life with Mr. Schaeffer.

ADMINISTRATION & FACULTY

Above: Part of the faculty intently watches an exciting pep rally.
Far Right: Coach Dilts gives a word of encouragement before an important game.
Bottom Right: Miss Hill and Mr. Israel are "Looking Around Campus."
Right: Mr. Steuart and Ms. Mag flash a Valentine smile.

If you've been "Looking Around Campus" this year, you might've noticed some changes taking place. This year, Kiski has undergone many transitions both student-body wise and administratively. One of these changes was Mr. Larry Steuart's election by the Board of Education to the position of Assistant Principal.

Mr. Steuart has been with Kiski School District for twenty-four years, he has taught both math and social studies. When asked to comment on the student body and faculty he remarked, "95% of the students at Kiski are Top Shelf and the faculty members have been more than supportive." In closing he stated, "we are trying to work diligently to decrease the absenteeism and tardiness," and when asked about the school itself, he replied with a smile, "It's great!"

Looking At Administration & Faculty

“They have a right to censure, that have a heart to help.”

— William Penn

The administration and faculty at Kiski continue to provide an excellent education for all students. Because the education of today's youth is essential, it is pertinent to have good teachers. Fortunately Kiski has a dedicated staff who are always willing to help.

Because of the extra time and attention Kiski's teachers are willing to give, many beneficial programs thrive at our school. Not only will these activities benefit the students in their futures, but they will also help them to experience the best of high school and to develop as people.

The teachers at Kiski enjoy the students and are challenged by their jobs every day. In today's society a good education is necessary to be successful. Not everyone realizes this, and most students take their teachers and more importantly their education for granted. However, the teachers at Kiski should be recognized for their outstanding effort and applauded for a job well done.

Looking At The Teacher Of The Year

Mr. James Trunzo, teacher of the year for 1990-91, possesses many of the qualities needed to be an exceptional educator. His friendly and caring personality enable him to become closer to his students and make classroom learning more relaxing. Mr. Trunzo's pupils also agree that his unique sense of humor actually makes learning fun. Even with his heavy work load, Mr. Trunzo always makes time to listen to his students and to help them with their problems. When asked why he loves teaching so much, Mr. Trunzo replied, "Because you're working with young people on whom you can definately have an impact. It's a job that forces you stay young in order to relate to your students."

In the future, when students look back to their days at Kiski, one fond remembrance will be Mr. Trunzo's English class. They will never forget how much they learned from a kind and dedicated teacher.

Students from Kiski, Franklin, and Valley attend the Westmoreland Area Vocational Technical School. These students are trained in numerous areas of study. After graduation, some students may feel they are knowledgeable enough to establish a career in their field of study. Others may chose to go on to higher education.

Getting A Head Start

Left: Ricky Butler, senior class vice-president, takes a moment away from his hard work to look at the camera.

Vocational Industrial Clubs of America (aka V.I.C.A.) has an organized chapter here at Kiski. This group involves mainly students who are enrolled in the vo-tech program. However, other students are welcome to join. One of V.I.C.A.'s primary interests is to raise money for charities. "We also take field trips to places like Geauga Lake and Seven Springs," said Melissa Payton, a senior.

A Jump On The Future

Breaking the scheme of tradition Sophomores were permitted to attend the Westmoreland Area Vocational Technical School for the first time beginning this year. This new idea offers students the opportunity to gain more knowledge in their field of study. The new set-up seemed to run smoothly even from the start. Lets hope this system continues for students in years to come.

Every spring the tennis team attacks the courts with determination, skill, and enthusiasm. Coach Mr. Louis Santia says that there are some promising freshman players this year who should help the team quite a bit. Special mention goes to senior Scott Moore who is currently the number one singles player with a record of 3 and 1. Overall, Coach said, that hopefully things will go well and the team will go to playoffs.

Honors Choir

Venus Walker and Tara Evans were talented enough to qualify for the Honors Choir.

The National Honors Society is a group of talented and unique students. Students accepted in NHS were selected by a panel of teachers who judged them on grades, activities, character, and leadership qualities. The major events sponsored by this club are the holiday coffeehouses. Also, a candlelight ceremony is held each year to induct new members.

Historical Society

The Kiski Area Historical Society and their advisors Ms. Turano, Mr. Richey and Mr. Iagnemma worked hard to preserve the many places of historical relevance and tradition within Westmoreland County. Last year they were involved with the presentation of a historical marker in Vandergrift. This year one of their many projects was the reconstruction of a family gravesite which dated back to the 1700's also emphasizing their concern for the environment.

Lisa Ceraso, Nichole Van Den Heuvel, Crystal Parnell, Matt Spolar, Jessica Kardos

Thought For The Day Club

Each morning in homeroom, students are greeted with a thought that is full of wisdom or humor. Those responsible for these cheery messages are the Thought for the Day Club sponsored by Mr. Max Israel. The students in this club work very hard to find quotes to brighten everyone's day.

Mock Trial

The Mock Trial team has been successfully debating cases for four years. The team consists of both lawyers and witnesses who compete in front of a jury. This team attributes much of its success to their sponsor Mr. Norton, and law advisors Mr. Geary and Mr. Little. The Mock Trial team will continue to be a huge success in the years to come.

Student Secretaries

Student Secretaries, are Business students in Machine Duplicating classes. This class is taught by Mr. Cappel. The students are taught to use different types of office machines, such as a duplicating machine, thermomax and many others. After mastering all the equipment the students are assigned to teachers. The students' duties may be anything from typing dittos to making transparencies. The student secretaries try to make the teachers job a little bit easier.

FBLA

Future Business Leaders of America, headed by Mr. Thomas Schaeffer is made up of many talented business students. This group, which represents an exceptional part of the student body, will continue to make Kiski Area very proud in the years to come.

Jen Geltz and Terri Pierce discuss new ideas for an FBLA meeting.

Kris McLean smiles at Mindy Leith's witty remark.

Math Club/Team

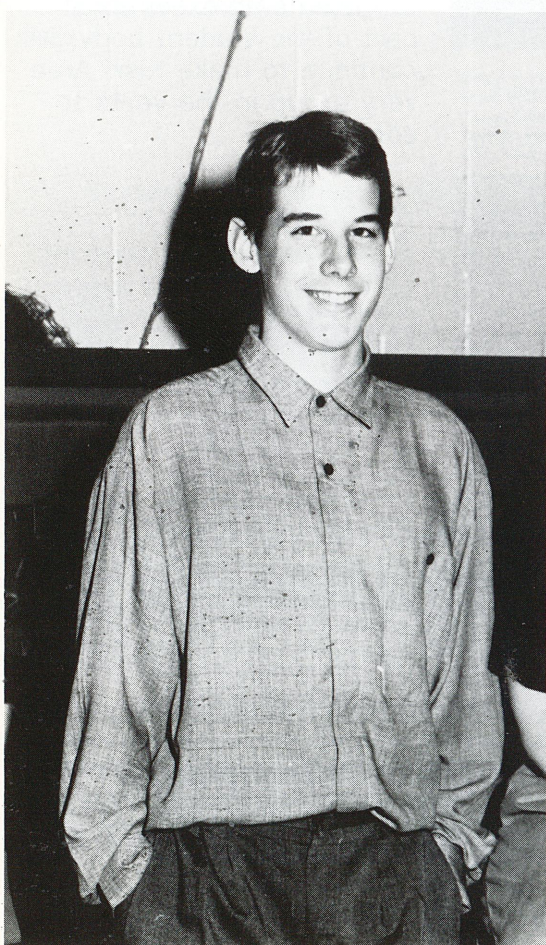

Every morning, the math club meets to tutor students studying all types of mathematics. The math Club, assisted by Ms. Catherine Scales takes great pride in the services they provide.

The Math Team is also important at Kiski. The members attend meets which test their mathematical abilities. It brings the members the opportunity to show their great understanding of a very complex subject.

Bringing The World

German Club

One of the three foreign languages taught at Kiski is German. This language class has an active club advised by Mr. Tom Pipkins. This years club met twice a month in the lower cafeteria and had various fund raisers and activities. The German club members along with their officers hope to plan an educational spring activity to help experience this very diverse culture.

French Club,

sponsored by Mrs. Baun, consists of many students from grades nine through twelve. These students meet in the morning to discuss their ideas about activities they are interested in participating. Every year this club has a dinner where they cook genuine French foods and pastries. Because of this dinner, they get to experience life as the French do.

¿Que Pasa? is a newspaper that is written completely in Spanish by a very hard working staff. The newspaper consists of a variety of topics such as music, sports, horoscopes and much more. The students on the staff feel that working on the newspaper was fun, and an enjoyable experience that was definitely worth their effort.

Spanish Club

This year the Spanish club took on many projects to raise money for the telethon. The Spanish club members sold Kool-aid to thirsty donut buyers on Thursdays. Other events included the second annual Kiski Area Foreign Language Competition and the Slippery Rock Foreign Language Competition. Hopefully this year will prove to be a fun and exciting learning experience for all its members.

AV Crew

Front Row: Shannon Gamble, Amy Garrison, Steve Dudzik. Row 2: Misty Seeley, Lucy Emberg, Karen Sampson. Row 3: Chris Sackett, Steve Roman.

The A-V club, who brought us the telethon, also performs many other services to the high school. Sponsored by Mr. Stauffer, the A-V club helps teachers obtain VCR's and overhead projectors. The club is one of the most important groups at Kiski and their help is greatly appreciated.

Drama Club

Each year students with interests in the Dramatic arts work together to increase their talents. Many of their productions are completely student directed. One project taken on by the drama club this year was doing the make-up artistry for Gateway High School's production, M*A*S*H. This project was supervised by the drama club sponsor Ms. Regina Wichrowski. The drama club's future projects will continue to be as successful as those in the past.

Above: Nikki Yajko diligently prepares for the upcoming telethon.

Telethon/AV Crew

At Christmas time, Kiski Area's annual telethon is held. The purpose is to raise money for the needy people who live in the Alle-Kiski Valley. It is broadcasted and taped by the Audio-Visual club at the Hyde Pard Plaza.

Library Aids

A few dedicated students offer their spare time in order to help Mr. Kulas keep the library in order. Some of their duties include setting up microfilm, locating books and magazines, and running passes. Thanks to these efficient students, the library is always in order.

Needle Craft Club

Sponsored by Mrs. Wilson, the Needlecraft Club focuses on their knack for sewing on creative projects that express each member's unique personality.

Hopefully, this club will remain to be a part of Kiski's extracurricular activities for many years to come.

Kiskizette First Semester

Kiskizette Second Semester

The Kiskizette, the school newspaper directed by teacher Mr. Eugene Iagnemma, is created and produced by the students in journalism classes. The students learn aspects of journalism including layouts, constructing a story, using computers, and distributing the papers for sale. Being involved with the Kiskizette gives the journalism students a sense of accomplishment and pride.

New Kids Club

The New Kids Club is a newly developed organization developed to help new students deal with the experience of coming into a new school and new environment. Sponsored by English teacher Miss Hill, this organization is very beneficial to new students who wish to make their school year at Kiski more enjoyable.

Ski Club

During the season, the Ski Club travels to Seven Springs. Mr. Duppstat enjoys taking experienced skiers and beginners up to hit the slopes. They go on Thursdays after school, and sometimes get home late, but everyone enjoys the trips.

Key Club

And active club at Kiski is the Key Club sponsored by the Kiwanis in our area. Their many projects and activities are advised by Max Israel a business teacher here at Kiski. To belong to this popular club you must maintain your grades. Another interesting aspect of this particular club is that it has all male members.

Pride Club

Do you ever wonder who sponsors Sweatshirt Day and Blue and Gold Day? Yes, it's the Pride Club.

The Kiski Pride Club is finally on its feet, lead by President Megan Kelly and Vice-President Adam Romanowsky. During the football team's wonderful season, the pride at Kiski was soaring high. With the poster contests and confetti, it was definately at its peak. The loud ear-piercing screams of the club proved how enthusiastic they are about their school.

Looking At The Playoffs

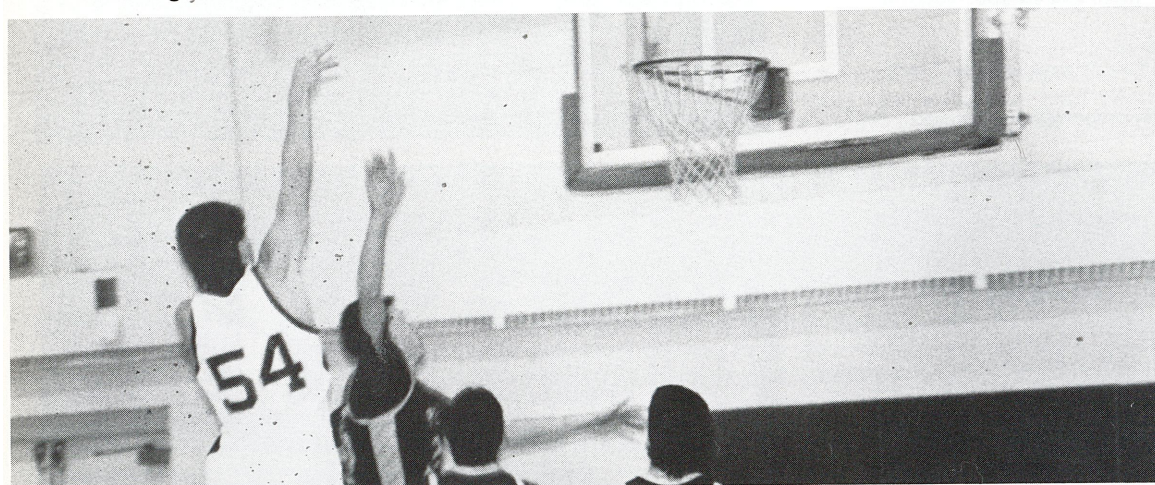

"If it is to be it is up to me." Those are the "ten most powerful words" that the 1990-1991 Kiski Area High School football team chanted and lived by throughout their spectacular season. This year, our team—coached by Mr. Dick Dilts—reigned victorious over every opponent with the exception of the first and last games of the season. At the unfolding of the season, the Kiski High School team was predicted to be—at best—fourth or fifth among the ranking of the Top Ten high school teams in the AAAA Section. By the end of the season, Coach Dilts and his team were faced with the challenge of defeating the North Allegheny team at the Valley High School field; this game brought with it the aspirations of playing at Three Rivers Stadium the following week. However, those aspirations were soon altered for the Kiski team. It was to everyone's dismay that the Kiski football team had been defeated by North Allegheny and that their team—instead of ours—would continue to Three Rivers. Ironically, it was in 1975 that the Kiski Area Football team battled for the WPIAL Semi-final against the North Allegheny team on the very same battlefield—Valley. Unfortunately, this year's fight for the WPIAL Semi-final was to be an "instant replay" of the game that took place sixteen years ago.

Another football "deshavoo" that occurred this season was the KAHS football team's 200th win. The game was played at the Penn Hills field, needless to say, Kiski won. The ironic part was that the same two teams went head-to-head exactly 99 Kiski wins before—proving to be the 100th win as well as the 200th. When asked to say a few words about this season, Coach Dilts could not find words to describe his pride in the performance of the players and the outstanding outcome of the tremendous season. The 1990-1991 KAHS football team went above and beyond their call of duty proving their abilities and teamwork was worth more than a ranking of fourth or fifth—and in the words of Coach Dilts "won the hearts of many."

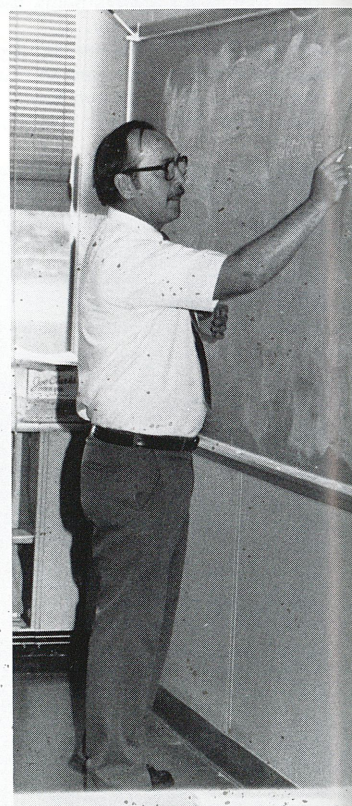

This year was also very successful for the varsity golf team who placed fifth in the first round WPIAL playoffs. The boy's and girl's cross country teams that placed 10th and 7th (respectively) in the WPIAL finals. The ninth grade girls basketball team was section - co-champs this year, while the girls & boys varsity basketball teams both advanced to the WPIAL playoffs. The sr. high volleyball team played in the quarter finals. Another team that made it to the WPIAL playoffs was the varsity softball team, while the boys track team advanced to the semi-finals. Congratulations to all of our teams.

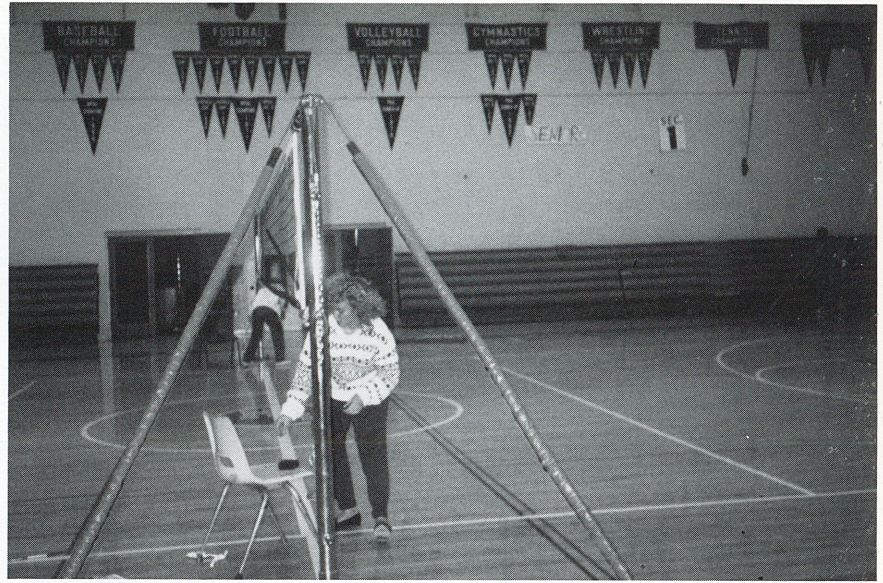

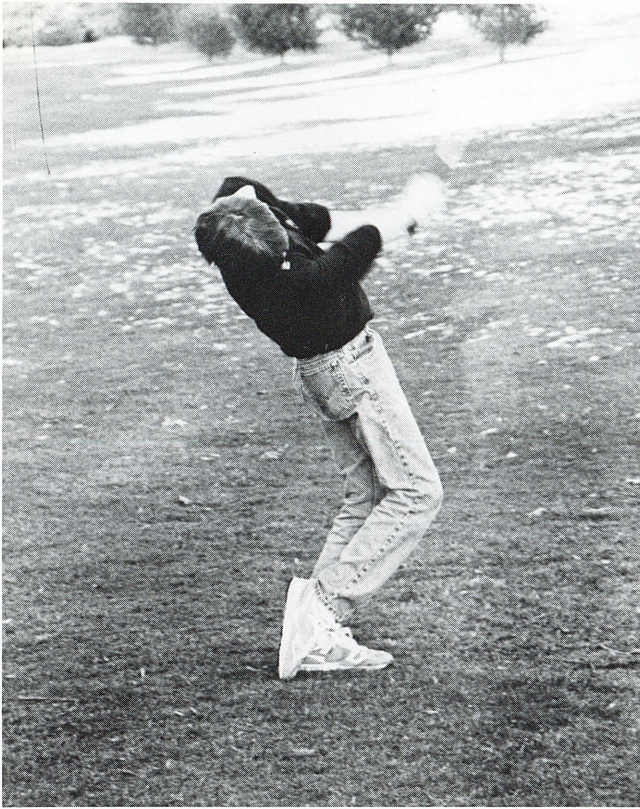

Mr. Dilts completes another successful football season.

The class of 1991 will have something very special to remember this year—The Gulf War. Last August, United States and Allied Troops entered Saudi Arabia and awaited the moment that they would begin to liberate Iraqi-invaded Kuwait. Known as Operation Desert Shield, this period of preparation would continue until the January 15 deadline or until Saddam Hussein voluntarily removed his army from Kuwait. Hussein never submitted to the United Nations Security Council resolutions, and on January 16, 1991, the name Operation Desert Shield was changed to Operation Desert Storm. Finally, after six weeks of fighting, the heavily damaged Iraqi's withdrew their troops from Kuwait and agreed to comply with all twelve U.N. resolutions. At 9:00 P.M. on February 27, President Bush addressed the nation and stated, "Kuwait is liberated. Iraq's army is defeated. Our military objectives have been met . . ."

Not only did the war have a huge impact on the world, but it also had a large effect on the local area. Most people will remember the scud missile which hit the barracks of the Greensburg -based 14th Engineering Detachment. This incident, which killed 28 soldiers, was perhaps the one major event that made the war vivid to the people in this area.

Now that the war is behind us, Americans look forward to the day when all of our brave men and women who have been serving in the Gulf return home. Hopefully in future generations, war will never be needed in order to solve international conflicts. For as someone once said, "There is enough in the world for everyone to have plenty to live on happily and to be at peace with his neighbors."

Orange Bowl

This year the Kiski Area Marching Band, under the direction of Mr. Scott Koter, was chosen as one of the bands to march in the Orange Bowl Parade in Miami, Florida. The band began their journey to Miami on December 26, 1990. The members of the Marching Band and the Auxillary—consisting of the Colorguard and Majorettes—sacrificed two weeks of their summer vacation last summer in order that they could learn the new routines and marching spots. That doesn't even account for the long hours of practice that the band members and the staff worked through in hopes of obtaining their many long and short term goals this season. The countless "rollsteps" and "cover downs" that the band practiced gave them the ability to excel at every competition.

The routines and musical performances were, in essence, second nature to every member of the Marching Band. Before and after every competition came the "pep talks" and the words of pride and wisdom expressed by Mr. Koter, Mr. Lamendola, and Mr. Wolfgang. The band made its mark on Florida almost immediately after its arrival. The first stop was Orlando, where a banquet was held in honor of the members of the Marching Band and Auxillary.

The weather in Florida was, to say the least, superb. After the band, colorguard, and majorettes were subjected to playing and performing in the wettest of weather throughout their entire season, it was a pleasure to march in beautiful sunshine and execute the moves without having to worry about losing a shoe to the good of a performance. "The Kiski Area Marching Band has continued to be highly competitive throughout the past four to five years and it was wonderful to see the same pride, intensity, and spirit exercised in a non-competitive performance," said Mr. Koter. The director also stated that the looks on the faces of the band members as they approached the final block of the parade was worth the price of every grueling practice.

Going into the competitive season, the Marching Band had the basic goals and objectives that they have always had as a competitive band. Overall, the members knew that the arrival of the new season brought with it the need for "focus" and true dedication if this year was going to be what everyone had hoped it would be. The band's competitive season officially ended with the Eastern Regional Competition, held at West Virginia University stadium, where the Kiski Area High School Marching Band walked away with first place awards for Class AA and Eastern Regional Champions and best overall effect. The band's participation in the Orange Bowl was the perfect encore to follow up such a beautifully executed season. The band's representation of Kiski Area High School was nothing less than first class. The quality of their performance was only reinforced throughout the season and the many goals and aspirations of the Kiski Area Marching Band were set, pursued, and obtained . . . to once again quote Mr. Koter, " . . . the trip was perfect!!!!"
